

CURIOUSA

TUTTI STEM

Hand-blown light-piece, made in the UK.

Free-blown glass stem and shade with fabric coated flex and E14 fitting.

Adjustable 1m flex (unless otherwise specified).

Choose from 22 glass colours, 5 fitting finishes and 8 flex colours (see Finishes and Options PDF).

All glass dimensions are approximate – this glass is free-blown so all glass dimensions can vary with some bubbles, swirls and possible colour variations.

Voltage 220-240V 50Hz

E14 25W Max

Wet area (IP rated) and American fittings also available.

Recommended Bulb - Piccolo

Average weight 2.0kg
